WORDS OF COMFORT AND ENCOURAGEMENT

Good morning, and welcome to Lone Oak Baptist Church

Independence Day Weekend is a wonderful opportunity to recognize and to celebrate the 250 Years of freedom that we have enjoyed as a nation. Yet, every day we are given pause to celebrate the truest degree of freedom known to mankind – that being the freedom from sin that we find in the precious blood of Jesus. So, while celebrating our National Freedom, let's spend time today praising and worshipping the Name that makes us free, free indeed! (John 8:36)

**VISITING WITH US TODAY? THANKS FOR COMING OUR WAY
 TODAY, WE ARE SO GLAD THAT YOU ARE HERE.**

PASTOR'S THOUGHT: II Chronicles 7:14 – "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land" (2 Chronicles 7:14 KJV

Some years ago, a substitute teacher wrote in the Washington Post about the depressing experience he had while teaching three advanced government classes in a suburban Virginia school. He decided to poll his students on the basic question of whether the American system of government was morally superior to that of the Soviet Union? Fifty-one of the 53 high school seniors he asked -- the brightest high school seniors in one of the best school systems in the country -- saw no difference between the two.

These children could not morally distinguish between their own nation built on the basis of each individual having God-given rights, and another nation that has operated for over 70 years on the assumption that man is a mere creature of the state. Not coincidentally, the two children who did comprehend a difference were Vietnamese boat children. They had received a valuable education in reality when they experienced the collapse of their homeland into the darkness of totalitarianism.

If we are not careful and we choose to be unlearned and illiterate about the blessings of being an American citizen, we foolishly take our freedom for granted. It appears that some people who think themselves to be educated, really, they are not. Our nation is not a perfect nation, and I can't recall a time when she has professed herself to be, but despite her many flaws and defects, it still brings joy to my heart to call America home. The blemishes on our nation's history can only be righted by Christians. When we decide to get serious about addressing the sins and faults of our nation, we will act and when we do, change will come. We have God-given rights, let's exercise them!

Sincerely & Prayerfully,
 Bro. Kerry

ROOTED

YOUTH MINISTRY 6TH – 12TH Grade

As we come home from camp and prepare to go to another one, let's not get caught in the ups and downs of our spiritual walk. The decisions we make don't have to be “camp decisions”; they now need to become life decisions. We must rely on God to help us. He has already given us the victory over death and over sin. We have to rely on his strength to give us the victory which he promised. The bible tells us in **1 Corinthians 15:57**, *“But thanks be to God, which giveth us the victory through our Lord Jesus Christ.”*
