July 31, 2022

It's a great opportunity and privilege that we have been granted today to be in the House of the Lord. Here, we are exposed to the Word of God, and are challenged by His Spirit, to dedicate our lives more deliberately and fully to be lived among men, for the sole *glory of God*. Let's not forfeit this opportunity or waste this chance to become better and more for Him. We are glad that you are here!!

- WELCOME MEMBERS, GUESTS & FRIENDS -

**PASTOR'S THOUGHT: Ephesians 3:21 – “Unto him be glory in the church by Christ Jesus throughout all ages, world without end. A-men.”**

The only place to bring up a family is in a *Christian church*. A well-known minister went to a home to conduct a funeral service for the daughter of the home. It was the home of a successful businessman—but a thoroughly worldly and godless home. On one side of the coffin sat the father, on the other side the only other person present besides the minister, the father's intimate friend. Suddenly the father broke into speech, talking to himself more than to any other: "*There is nothing in these things. You and I have been living for a good time with success. We have done everything we could during the week. We have been good poker players on Saturday night. We have spent our Sundays in the automobile and in social pleasures. We have put the club and the bank first, and my son has disgraced me with his shameless marriage, and my daughter is now dead. I tell you there is only one place in which to bring up a family, and that is a Christian church. There is only one way to use Sunday for children, and that is to take them to church. What with money and wine and poker and pleasure all day Sunday, and parties all Sunday night, my family has been ruined. People don't know what the result of this kind of living will be until the end comes. But I know.*"

The bereaved and regretful father in this story represents many parents today. Many parents are busy pursuing successful lives, for themselves and for their families, measured by the world's simple and shallow standards and all the while they forget the really important matter of life. This business man, in the eyes of some, had been living the “**good life**” – playing poker, enjoying social pleasures, relishing a life of cash, trips and wine – yet, at the end of life, comes the **END**.

We rejoice and give thanks for the people and families, who over the last **98 years**, have made the choice of prioritizing the right kind of living. These people make what we celebrate today a reality. Our prayer, as we step into another year of Christian worship and service should be that God would continue to add to our church family people who love God, Church and People.

In Grateful Appreciation,

*Bro. Kerry*

**IT'S HARD FOR US TO GET INTO SHAPE SPIRITUALLY IF WE ONLY WORK OUT ON SUNDAY**
