October 1, 2023

Welcome to **Lone Oak Baptist Church**. Thank you for joining with us this beautiful Sunday Morning to worship our Great God and to place our lives before and under the authority of His Word. Life always makes better sense when we choose to do it God’s way instead of our own. As we join in worship today, let’s accept God’s mandates for life and fruitfulness and let’s leave here today with a passion to know and to do His will. - **WELCOME TO ALL OUR MEMBERS, FRIENDS & NEW GUESTS** -

PASTOR'S THOUGHT: John 11:25,26 – “Jesus said unto her, I am the resurrection and the life; he that believeth in me, though he were dead, yet shall he live: And whosoever liveth and believeth in me shall never die. Believeth thou this?”

Donald Barnhouse tells a terrific story of a young man who went to the employment office of Western Union looking for a job delivering telegrams. The manager said he needed someone to start at once and asked if the young man would be willing to begin right then. “Well,” said the young man, “there’s one thing I must warn you about before I get started. I am psychologically so constituted that I cannot stand any scene of unhappiness. I’m only willing to deliver good news. Birth announcements, that’s fine. Congratulations for success, fortunes that have been received, promotions, acceptance of a marriage proposal – you know, all the joy and bliss kind of news, that I’ll be happy to deliver. But sickness and death and failure and all of that kind of stuff, that’s not for me. You see, that kind of news is alien to my nature. I just won’t deliver them.” It didn’t take the manager very long to say, “Well, I guess I’m still looking for the one that’s going to fill the job, because this responsibility requires that you deliver both, the good news and the bad news.”

That’s also the job of those who deliver the News of the Gospel. The Gospel is wonderful Good News, but it isn’t complete until the bad news is also delivered. It’s the bad news of our sinful nature that makes the Good News of the Gospel so glorious. Once we are willing to accept the “*bad news*”, we can happily accept the “*Good News*” that **Jesus Saves!!**

Sincerely and Prayerfully
Bro. Kerry
