June 12, 2022

We've enjoyed a great 5 days of Vacation Bible School this week, here at LOBC. The lessons, the crafts, the songs, the games, the food and the cooperative spirit among all the workers have all been a part of a great week of learning and serving the Lord. Special thanks to all the parents who have entrusted the care of their children to us this week. We welcome our *first-time visitors* to our service today, as well as our *returning guests*. We are blessed by your presence with us today!

- WELCOME MEMBERS, GUESTS & FRIENDS -

PASTOR'S THOUGHT: Matthew 5:23,24 – "Therefore if thou bring thy gift to the altar, and there rememberest that thy brother hath ought against thee; leave there thy gift before the altar, and go thy way; first be reconciled to thy brother, and then come and offer thy gift."

On January 31, 2000, Alaska Airlines Flight 261 took off from Puerto Vallarta, Mexico, to fly to Seattle Washington. Tragically, the plane crashed into the Pacific Ocean, killing everyone on board. The investigation into the accident revealed the cause of the crash – *a failure in the nut threads that controlled the horizontal stabilizer* – could have been prevented. But the airline had reduced the frequency of lubrication on the parts and then falsified the maintenance logs to make it look like things had been taken care of when they had not. The results were fatal.

Every relationship we have requires regular maintenance if it is to survive. Most of us know people who were friends for a time, but not they do not even speak to each other. It is sadly common for family relationships to be so ruptured that members will not even be in the same place. Many church splits have become so bitter in some places that police had to be called in to keep *order* between brothers and sisters "*in Christ*."

While we know there are many things that can cause damage to a relationship, most of them can be overcome, if not prevented, by taking care of small things before they are given a chance to become major problems. If we are quick both to forgive **and** to seek forgiveness, if we learn to take our own responsibilities more seriously, rather than demanding perfection from others, and if we make our relationships a priority, we will soon find that there are fewer *crashes* in life's relationships.

Life is far too short to harbor ill-will or resentments towards others. The things that we do and offer in Christian service should never be done *pretentiously* before others. God knows both the pain we bear and the hurt we cause. Let's be sure to prioritize healthy relationships and do what we can to restore and to heal those that have been broken.

Prayerfully and Expectantly,

Bro. Kerry
