Welcome to *Lone Oak Baptist Church* – We are glad that you are here! We are hoping and trusting that your week has been a good one, filled with opportunities to engage and to share your faith with both friends and others. If this is your **first visit** with us, please take the time to fill out a visitor's card and place it in the offering plate as it is passed later in the service. Again, thanks for coming. We are excited to meet you. We trust that you will be encouraged to return and to consider making **LOBC** your home church!

- WELCOME TO ALL OUR MEMBERS, FRIENDS & NEW GUESTS -

PASTOR'S THOUGHT: James 4:8 – “Draw nigh to God, and he will draw nigh to you. Cleanse your hands, ye sinners; and purify your hearts, ye double minded.”

Although the apathy of some Christians and the wickedness of society are discouraging, we should pray and remain confident. William Wilberforce was a great Christian philanthropist and vigorous opponent of the slave trade in England during the early 1800s. As he surveyed the terrible moral and spiritual climate of his day, he did not lose hope. He wrote, “*My own solid hopes for the well-being of my country depend, not so much on her navies or armies, nor on the wisdom of her rulers, nor on the spirit of her people, as on the persuasion that she still contains many who love and obey the gospel of Christ. I believe that their prayers may yet prevail.*” Within a few years after he made this statement, the country he loved experienced one of the greatest revivals in modern times, bringing salvation to thousands and producing widespread social changes. ...Source Unknown

Are you and I growing weary of witnessing the terrible moral and spiritual climate of our day? Is the land that we call home, losing her way? Are we, or could we be, the generation that is responsible for the demise and ruin of America? Do these thoughts and others like them bother you? They should. If they do, what do we intend to do about it? We need to embrace similar convictions like those of William Wilberforce. You and I need to be persuaded that America still *contains many who love and are willing to obey the gospel of Christ*, and we need to believe that the *prayers of those kind of people will yet prevail.*

Our Revival Services begin this coming Thursday night and it is my prayer that if we are really concerned about the spiritual decline of our nation and community, we will show our concern by attending each service with both a passion for truth and a renewed resolve to make a difference!

Sincerely & Expectantly,

Bro. Kerry
